Helpful Hints

Here are some useful ideas to help you grow in holiness as a Christian.

- 1) Invite the Holy Spirit each day to guide and direct you in the choices that you make. When it comes to doing something, recognise when a sense of peace and calm goes and tension appears. A sense of peace/ or lack of it is a good indicator as to whether what we are about to do is right or not!
- 2) Regularly examine your choices, attitudes and behaviour against the Word of God. Scripture is full of clear guidance in what God sees as right and wrong behaviour.
- 3) In your daily life be willing for God to open up opportunities for you to be used by Him in Word and action. In this way even in daily life you are setting yourself apart to be used by Him.
