Helpful Hints

Here are some useful ideas to help you get to know the Spirit better.

- 1) Spend time reading the New Testament allowing its teaching to reveal to you both who the Spirit is and what the Spirit does. In the book of Acts we see the way the Spirit guided and empowered the early Christians to witness to Christ.
- 2) Invite the Holy Spirit to guide you each day and take risks in obeying what He says to you. As you get to know Him better you will be more effective in hearing His direction and confident in responding to Him. There will be times when you hear Him wrong, but preserve, for there is nothing more powerful and effective than a Holy Spirit directed life.
- 3) Lay what you hear from the Spirit alongside God's word and share with a more mature Christian. This is the way that we can test whether a word, or a direction given is really from God or not.
