Helpful Hints

So how can we grow in the Spirit?

- 1) It is absolutely important that we learn to cultivate a listening ear to what the Spirit is saying to us. We see in the life of Jesus that He was able to hear the Spirit in every situation and responded with the Spirit's provision. Spend time each day in quiet, inviting the Lord to speak to you.
- 2) Live a life that is disciplined and holy. The closeness of your walk with God is dependent on your willingness to live a life which is pleasing to God.
- 3) Live a daily life of worship to God. True worship not only brings pleasure to God, but it also opens up our lives to God's presence and puts us in a right position before Him, where we might see His glory and respond to His presence. Scripture tells us God inhabits the praises of His people.
