### Helpful Hints

So how do we respond to Jesus being the ONLY way?

- 1) Each one of us needs to take seriously the command of Jesus to witness to others, about Him, in our daily lives. This means witnessing to people of other religions to. Scripture is clear, people of other faiths are NOT going up the same mountain as us but by different paths. They are in fact lost in a false religion that will ultimately lead them to hell.
- 2) We need to learn our own faith better so that we can give a clear explanation why Jesus is the only way. It may be helpful to do a **brief** study of what other religions believe - When you are strong enough in your own understanding.
- 3) We need to pray for others who believe something different to us, that their eyes might be opened!!
