### Helpful Hints

So how do we grow in the hope we have of life everlasting?

- 1) Build yourself up in a deep understanding of the resurrection hope we are given in Christ. Regularly read the promises of Scripture regarding eternal life and the rewards in the life that is to come. Pray that the Holy Spirit will deepen your sense of assurance in Christ.
- 2) Regularly examine your life to see where your hope and focus is in your daily living. If we hold the things of this life to dear, then we will not take real risks for Jesus. Our focus and confidence should be on what is eternal, not in what is fleeting and will fade.
- 3) Remember when you go through difficulty or hardship, that the experiences of this life are but momentary discomforts compared to the eternal glory, reward and life that is yours through faith in Jesus.
