

Discovery Card - Judgement Day

Many people today speculate at what the future holds for the human race. There is a sense that people want to know not just where we come from as humanity, but also where we are heading. Scripture makes it clear, not only were we created by God, but that also our destiny rests in Him also.

Helpful Hints

So how should we respond to the reality of Judgement Day?

- 1) As a Christian we should not fear the reality of judgement day, for we have been forgiven through the work of Jesus upon the cross. However we should still seek to live a life that is pleasing to God, for we know there will be a day when we will have to give an account of how we have lived our lives.
- 2) If we take the reality of judgement day seriously then it should spur us on to witness to our friends and family who do not know Jesus. It is a simple fact that the lost will not inherit the Kingdom of God, and as Christians we have been given the responsibility to witness to them.
- 3) There is much teaching within the Word about the rewards that will be given us, if we are faithful to the Lord's calling upon our lives. It is important that we remember this when the going gets tough and no-body seems to recognise or be thankful for what we are doing.
