

## Discovery Card - The Second Coming.

One of the central truths that makes up the full gospel of Christ, is the fact that one day Jesus will return to the earth. This time He will not return as a baby in a manger, but He will return as the King of Kings and the Lord of Lords. He will return in all His Glory, to judge the nations as He sees fit.

### Helpful Hints

So how should we respond to the reality of Christ's return?

- 1) As Christians we are called by Jesus to live our lives in a state of readiness, to be prepared to give an account of the life we are living in Him. There is no room for apathy or complacency for He could come at anytime and we must be living ready.
- 2) Be watchful! Jesus makes it clear that we must recognise the signs of our times. There is a sense when Jesus is calling us to be watchful that He is saying to us, be expectant that it will happen at anytime.
- 3) We must be careful not to speculate when Christ will return. It may be interesting to read books that speculate and false prophets that predict the year or day. However Jesus said no one will know the day or hour, so live ready and be about the Father's business. Long term, speculation does more harm than good to the reality and promise of Christ's return.
