

Discovery Card –What is the Church?

As Christians we belong to each other. Scripture reveals to us that through the New Birth experience we become spiritual brothers and sisters in the Lord. In every sense we are knitted together as the body of Christ, with Christ Himself as the living head, directing the affairs of His people.

Helpful Hints

So how should we respond to the Bible's teaching on the Church?

- 1) We need to continually remind ourselves that the church is the people of God meeting together, not the building we meet in. Alongside of this we need to recognise that the church is called to be a mission people not a maintenance people. This is important because without a clear sense of who we are we will in our daily life together focus on the wrong realities.
- 2) Being a part of the church is not always easy. There are times when people fall out with each other and the church makes decisions that you disagree with. However the church has been called into being by Jesus Himself and we must persevere in our relationship with the church when the going gets tough.
- 3) As a Christian the more we put into the church the more we will enjoy its ministry and people.
