

Discovery Card – Baptism & Church Membership

One of the important next steps that Jesus calls us to make when we become a Christian is to be baptised. Within the early church conversion and baptism went hand in hand. Both baptism and church membership are all about uniting us with Christ and His people and making a public declaration of this fact.

Helpful Hints

The challenge of Baptism and Church Membership

- 1) As Christians it is important that we allow the Word of God to establish for us what we believe and practice in our faith. Scripture is very clear that Baptism is for those who can profess faith in the Lord Jesus Christ. This means that baptising babies is not an authentic Christian baptism.
- 2) Baptism is not about feelings, but obedience. As Christians we are commanded by Jesus to be baptised and therefore if we truly follow Him we must be obedient. Jesus made it clear that His friends are those who obey what He says. In fact He calls someone who knows the truth and does not obey it a lawless person.
- 3) Remember Jesus calls us into covenant agreement with Him and one another. If we are prepared to obey and follow Him. Then He promises to bless us as a result.
