

Discovery Card – Responsibilities we have!!

One of the joys that we have as Christians is that we are saved by grace, through faith in the Lord Jesus Christ. This means that we do not need to earn salvation by doing good works. However there is a real sense that as a Christian we want to be about the Father's business and honour the responsibilities He gives us.

Helpful Hints

How to persevere in responding to the responsibilities we have in Christ.

- 1) Much of the teaching of Scripture makes it clear that Jesus knows the thoughts and attitudes of our hearts and mind. Therefore the challenge of Scripture is that whatever we do, in thought or deed, do it as if you are doing it for the Lord. The Lord knows those who belong to Him. He knows the faithful service of our hands and He promises to reward all who are faithful in their service to Him.
- 2) Scripture declares to us that as God's people we are called to be other centred. This means that we are called to put the purposes of God before our own needs. It means that we should look to put the needs of others before our own. As we build others up and seek to minister to their needs, we find that all our own needs are also met by God. The Lord is no man's debtor.
- 3) Whatever others do around you, commit yourself to set an example in word and deed.
