As a part of the church of Christ, God has established a purpose and work that you are entrusted to do. This is one of the mysteries and blessings of God that He has made us co-workers in the work of the Kingdom. What He entrusts into your hands you are responsible to do. ### Helpful Hints

So how do we grow and develop in the place of our calling?

- 1) Remember that you are precious to Jesus and an important part of His Kingdom people. It is His desire that not only do you feel secure in your sense of belonging, but that you also become a productive part of His church. This is why He has established a clear and personal calling for your life.
- 2) It is important that right from the beginning of your faith that you become proactive in the service of Jesus. Become part of the church teams and through prayer, doing and the wisdom of others, begin to test the Lord's calling upon your life.
- 3) To test a calling is all about learning where the doors of opportunity are that God has opened up for your life. It is a simple fact that at times doors WILL close for you, as others open. Therefore do not take this personally, persevere and take risks and a SURE calling of Jesus will be manifested in your life.
