

## Discovery Card - What is a Christian?

So many people struggle with a sense of identity today. However as a Christian we do not need to struggle with a sense of identity because the Lord has given us a clear understanding of who we are as a new creation in Jesus. The knowledge of this new

creation is revealed to us in the Word of God and is ministered to us through the work and activity of the Holy Spirit within our lives.

### Helpful Hints

Here are some helpful ideas to help you develop in your sense of identity

- 1) Look up Bible references that talk about your new standing before God and the inheritance you have as His child.
- 2) In conversations with other Christians ask questions and learn from them as much as you can. Talk with them about how they have overcome the times of doubts and fears that most Christians have from time to time.
- 3) Get into a good prayer meeting where there is an expectation that God will work and respond to the prayer of faith and agreement. To see God work encourages faith and deepens a sense of identity.
- 4) Keep a prayer diary, writing down - the challenges of faith - what you learn from His word and how you are progressing. It is good to be able to look back and see all the work God has done in your life over the past year.
