Helpful Hints

Here are some helpful ideas to help you make right choices for your life!

1) A good question to ask yourself when you are about to make a decision in your life is :- "What would Jesus do in this situation?" Obviously it is important you know the Word of God to answer this question, but as followers of Jesus it is an important question to ask. A second question to ask is :- "If Jesus was standing by my side would I be doing what I am doing." In simple terms Jesus does see what we get up to in our live, for His Holy Spirit is within us.

2) Do unto others what you would have them do unto you!! The Bible calls us to treat people in the same way that we would want people to treat us in the same circumstances. It does not say wait until they start treating you in that way, but set the example, by taking the initiative and acting in a Godly way first.

3) Many subjects come down to simple obedience to the Word of God. Making Godly choices is one of them. You cannot know how to live a life really pleasing to God unless you read His word and choose from a point of understanding.
