**So how did you do?**

**0 – 16 = Desperate**

The bottom line is that unless you are prepared to change the choices you are making there is not much hope of you going the distance as a Christian. Talk over and pray through these areas of your life with someone before it is too late.

**17 – 21 = Dodgy**

Highlight the areas of your life where things are not working. Think about the choices you are making and do your best to tackle the problem.

**22 – 40 = Encouraging**

You are obviously trying to go for it. Well Done – Keep it up ( see Colossians Ch 2 v 6)
