## Helpful Hints

It is very important for us to share our faith with other people. The reason for this is that Jesus Himself commands us to witness to our family and friends. The bible says that if we deny Jesus on this earth then He will deny us in the world that is to come. If we acknowledge Him on this earth He will acknowledge us in the world that is to come. The bible makes it clear that unless people give their lives to Jesus then they will go to hell. Here are some ways to share your faith!

- 1) Firstly write down a list of 5 people who you would like to become Christians
- 2) Pray that God will give you natural opportunities to share with them.
- 3) Use the sheet provided to write about how you became a Christian. This will help you share your faith.
- 4) Share the Good News of Jesus through both word and action.
- 5) Persevere in sharing and praying

Don't give up on your friends who aren't Christians, your example of Christian living will speak to them in ways you cannot imagine..
