This journey will result in us all becoming God's and planting seed on other planets. (Yuri Gellaer says his powers were given to him by an extraterrestrial, when he was a child. This same Alien told Yuri Gellaer that “ God is nobody else then we together.”)

Christ is a messenger sent by them who shows us our potential and what we can evolve into

Teach Ideas of reincarnation and pre-existence as spirits before we became human..

Do experiments and visit us to check on our development.

Discuss – What does their teaching suggest about the Christian faith?

A Christian perspective :-

The majority of Christian Churches that have looked into this phenomenon have come to the conclusion that many of the encounters that people have experienced are real but that the source is not extraterrestrial but demonic.

Reasons

Aliens travel 90,000 years to come to earth at speed of light.

They do so to offer a false gospel which undermines the true gospel.

They engaged in kidnapping, hypnotism and sexual activity,

Those who are explain their experiences all describe experiences that fit biblical demonic possession

Lynn Caloe - U.F.O compiler for the Library of Congress – Compiled many sightings and information released on Alien visitation states: “ Many if not all of ufo reports that have been published have strikingly similar manifestation to demonic possession and psychotic phenomena.”

. U.F.O.s sightings and so called Alien visitation have resulted in 4 major cults being started, each at which claim U.F.O and Alien visitation. Nearly all the people who have seen U.F.O.s or been so called abducted state that they have at some time been involved in the occult.

Where as once people would believe in Spirit's and demi-gods now they believe in flying Saucers and Aliens. “ Masters of the dark arts and sorcery now have become masters so science and technology. The masters of old who are the giants, demi-gods and demon of old have become the aliens and apparitions of today. The church believe that this is just an escalation of demonic delusion sent to lead people away from the truth in Jesus Christ. Paul says that if even a angel contradicts the Gospel that it is of demonic origins.
