Point: -

As Christians we all need to work together as God's people if we are to accomplish the tasks God has for each one of us and the church as a whole.

Discussion

In small groups discuss and answer questions.

- ☺ What did you think of the church before you became a Christian?
- ☹ What do you think the church is there for?
- ☺ If you think the church is boring what do you think should happen to make it more interesting?
- ☹ Why do you think God wants you to be involved in a church?

Feedback answers to the larger group.

Fact file

Give out copy to each member of the group and get them to fill them in, in two's and three's.

When finished explain to them that the church was given to us by Jesus to help us grow as Christians. **Highlight the** fact that the church is meant to do the things Jesus did, in the world today. **As a** result of this each one of us has a gift and work to do given to us by God. **If we** fail to do that work then God will be unhappy. **The church** is Jesus in the word today!!

Activity

Give out a copy of “**what is your gift**“. Get them to answer the question and then go over the results. Use the forms as a base of information to encourage them into different ministries in the church. Pray for them to grow in their gifts and encourage them to see the importance of them in using their gifts and skills!

Main Point: -

God has given us the church to help us grow in our faith. Each one of us is an important part of the church and needs to use what God has given us to see God's work done today.
