

# FLASH CARD

**What would your parents do if...** after school you decide to go to your friends house without letting her know. They start to worry because you haven't come home at the usual time. Eventually you walk through the door two hours later.

# FLASH CARD

**What would your parents do if...** they found out that you had been stealing money from their bags.

# FLASH CARD

**What would your parents do if...** you and your friend decide that you want to make a cake during the school holidays. You need eggs for the cake but you remember that your mum asked you not to eat them as they were for tea. You use them anyway.

# FLASH CARD

**What would your parents do if...** you were at home all day doing nothing but watch TV. You remember that your dad asked you to wash up the breakfast dishes. You decided that you won't do them as TV is more important.
