

# Why Are We Here?

## Game:- Following a Plan

Split kids into 3 groups. Give each group a set of the cut up shapes provided. Put the **Master Plan** behind a screen at one end of the room.

**Objective:-** To produce a rectangle that is identical in shape, colour and size to the **Master Plan**.

**Instructions:-** The teams have 5 minutes to complete the task and are allowed to send one team member to look at the plan at the start of each minute. They must not touch the plan but report back, from memory, what they have seen.

**Point:-** People think that the world was an accident. No way this can be true when we look at the complexity of the world. It was hard enough to put the shapes together even when we could see the **Master Plan**. God had a **Master Plan** when he made the world... it is too perfect to be an accident!

## Discussion:-

Divide the group into two's or three's. Ask them to answer the following questions.

- 1) Why do you think you are here?
- 2) How do you think the earth was made?

After ten minutes ask the small groups to come together and share their answers as one group.

## Visual Input:-

Use the pre-recorded video provided. Show the clip of Armageddon followed by the beginning of the Jesus video. **(The video is ready to run each week – Remember to be ready to press stop and do not rewind it).**

Scientists say that the earth appeared from a Big Bang. And they say it will disappear as a result of an explosion. Christians believe that God made the earth and everything in it and has total control over what happens to it. Ask the group what they think.

## Talk:-

Psalm 139 Vs 13 – 16. Use a grain of rice to explain the following.

God knows each of us inside out. He knew us before we were even born. When we were the size of the grain of rice inside our mothers womb He had already planned our lives and loved us as much as He does now.

## Challenge:-

Say – God loves you, knows you and wants to have a personal relationship with you. The question we want to leave you with is... **How are you going to respond?**

## MAIN POINT:-

**We are not an accident. God made us and knows us and wants to have a relationship with us.**
